Specialized subject	Foundation Development in Nursing	Fundamental Nursing	看護学概論	Introduction to Nursing Science	2		30														2				
			コミュニケーション論	Human Communication	1		15																1		
			看護過程 I	Nursing Process I	1		15																1		
			看護過程 II	Nursing Process II	1		15																1		
			ヘルスアセスメント基礎	Health assessment : Basic	1		30																1		
			看護倫理学	Nursing Ethics	1		15																1		
			基礎看護技術 I	Fundamental Nursing Skills I	1		30																1		
			基礎看護技術 II	Fundamental Nursing Skills II	1		30																1		
			基礎看護技術 III	Fundamental Nursing Skills III	1		30																1		
			基礎看護学実習 I	Practicum in Fundamental Nursing I	1		45																1		
		基礎看護学実習 II	Practicum in Fundamental Nursing II	2		90																2			
		Management Nursing	看護管理学 I	Nursing Management I	1		15																1		
			看護管理学 II	Nursing Management II	1		15																1		
			医療安全論	Medical Safety Management	1		15																1		
			看護キャリア開発論	Nursing Career Development			15																1		
			看護管理学実習	Practicum in Nursing Management	1		45																1		
			Care Creation in Nursing	Adult Nursing	成人急性期病態・治療論 I	Adult Pathophysiology and Treatment I : Acute	1		30															1	
					成人急性期病態・治療論 II	Adult Pathophysiology and Treatment II : Acute	1		30																1
					成人慢性期病態・治療論 I	Adult Pathophysiology and Treatment I : Chronic	1		30																1
					成人慢性期病態・治療論 II	Adult Pathophysiology and Treatment II : Chronic	1		30																1
	成人急性期看護学概論				Introduction to Adult Nursing : acute	1		15																1	
	成人周術期看護論	Adult Perioperative Nursing			1		30																1		
	クリティカルケア論	Critical Care			1		30																1		
	成人慢性期看護学概論	Introduction to Adult Nursing : Chronic			1		15																1		
	成人慢性期援助論 I	Methods of Adult Nursing I : Chronic			1		30																1		
	成人慢性期援助論 II	Methods of Adult Nursing II : Chronic			1		30																1		
	成人看護学技術演習 I	Seminar on Adult Nursing Skills I			1		30																1		
	成人看護学技術演習 II	Seminar on Adult Nursing Skills II			1		30																1		
	成人看護学基盤実習	Practicum in Adult Nursing : Basic			2		90																2		
	成人急性期看護学実習	Practicum in Adult Nursing : Acute			2		90																2		
	成人慢性期看護学実習	Practicum in Adult Nursing : Chronic			2		90																2		
	Maternity Nursing	母性病態・治療論			Obstetric Pathophysiology and Treatment	1		30																1	
		母性看護学概論			Introduction to Maternity Nursing	2		30																2	
		母性看護学援助論			Methods of Maternity Nursing	1		30																1	
		母性看護学技術演習			Seminar on Maternity Nursing Skills	1		30																1	
		母性看護学実習			Practicum in Maternity Nursing	2		90																2	
		Child Nursing		小児病態・治療論	Pediatric Pathophysiology and Treatment	1		30																1	
				小児看護学概論	Introduction to Child Nursing	2		30																2	
				小児看護学援助論	Methods of Child Nursing	1		30																1	
				小児看護学技術演習	Seminar on Child Nursing Skills	1		30																1	
				小児看護学実習	Practicum in Child Nursing	2		90																2	
	Gerontological Nursing			老年病態・治療論	Geriatric Pathophysiology and Treatment	1		30																1	
				老年看護学概論	Introduction to Gerontological Nursing	2		30																2	
				老年看護学援助論	Methods of Gerontological Nursing	1		30																1	
				老年看護学技術演習	Seminar on Gerontological Nursing Skills	1		30																1	
				老年看護学実習 I	Practicum in Gerontological Nursing I	3		135																3	
		老年看護学実習 II		Practicum in Gerontological Nursing II	1		45																1		
		Community and Home Care Nursing		在宅看護学概論	Introduction to Home Care Nursing	2		30																2	
				在宅看護学援助論	Methods of Home Care Nursing	1		30																1	
				在宅看護学技術演習	Seminar on Home Care Nursing Skills	1		30																1	
				在宅看護学実習	Practicum in Home Care Nursing	2		90																2	
	Psychiatric and Mental Health Nursing			精神病態・治療論	Psychiatric Pathophysiology and Treatment	1		30																1	
				精神看護学概論	Introduction to Psychiatric and Mental Health Nursing	2		30																2	
				精神看護学援助論	Methods of Psychiatric and Mental Health Nursing	1		30																1	
				精神看護学技術演習	Seminar on Psychiatric and Mental Health Nursing Skills	1		30																1	
				精神看護学実習	Practicum in Psychiatric Nursing	2		90																2	
			disaster nursing	災害看護学概論	Introduction to Disaster Nursing	2		30																2	
		災害看護学援助論		Methods of Disaster Nursing	1		30																1		
		災害看護学技術演習 I		Seminar on Disaster Nursing Skills I	1		30																1		
		災害看護学技術演習 II		Seminar on Disaster Nursing Skills II	1		15																1		
		国際救援看護論		International Disaster Nursing			15																1		
	国際救援看護論演習	Seminar on International Disaster Nursing				30																1			
	国際救援看護論実習	Practicum in International Disaster Nursing				45																1			
	国際救援と英語	International Assistance and English				15																1			
	Public Health Nursing	公衆衛生看護学概論 I ※		Introduction to Public Health Nursing I	1		15																1		
		公衆衛生看護学概論 II ※		Introduction to Public Health Nursing II			15																1		
		保健指導方法論 ※	Methods of Health Guidance			30																2			
		健康教育方法論 I ※	Methods of Healthcare Education I			15																1			
		健康教育方法論 II ※	Methods of Healthcare Education II			30																1			
		家族生活支援論 ※	Methods of Nursing for Families			30																2			
		産業看護論 ※	Occupational Health Nursing			15																1			
		学校看護論 ※	School Health Nursing			15																1			
		地区活動論 ※	Community Activities			30																2			
		地域診断論 ※	Community Assessment and Diagnosis			60																2			
		公衆衛生看護管理 ※	Public Health Nursing Management			30																2			
		公衆衛生看護学実習 ※	Practicum in Public Health Nursing			225																5			
		Integration of Nursing Skill and Knowledge	心のリハビリテーション	Mind Rehabilitation			15																1		
			ヘルスアセスメント応用	Health Assessment : Advance	1		15																1		
			技術特別演習	Seminar on Integrative Nursing Skills	1		15																1		
	統合実習		Practicum in Integrative Nursing	1		45																1			
	卒業研究 I		Undergraduate Research I	1		15																1			
	卒業研究 II		Undergraduate Research II	2		60																2
